Contact your area Exiss Dealer for more details:
Rugged, durable and dependable Exiss® Livestock Trailers have been the choice of cattlemen and ranchers for more than a decade. With Exiss’ sturdy all-aluminum construction and great reputation for value sturdy all-aluminum construction, it’s easy to see why. Since 1994, Exiss has built top-of-the-line aluminum livestock trailers that set the standard for quality, dependability and value. Today, our standards are still the same. We build trailers to live up to the rugged demands of hauling your livestock year after year. From our extruded aluminum flooring to our commercial grade fenders and heavy-duty kingpin, our livestock trailers are built to last and designed to give you the confidence you’ve made a great choice, an Exiss livestock trailer.

GUARANTEED EXCELLENCE IS OUR COMMITMENT

Exiss is a proud member of the National Association of Trailer Manufacturers (NATM). Every trailer that Exiss builds meets or exceeds the requirements set forth by the NATM.

6’ 8” WIDE LIVESTOCK

The Exiss 6’8” lineup is the perfect solution for those who need durable, dependable hauling but don’t need the expansive capacity of the wider models. The 6’8” Exiss STK and STC models feature rugged extruded running boards and your choice of bumper pull or gooseneck configurations. With a broad range of available options, you can be sure your trailer will handle anything you throw at it.
